

Identity Protection by InfoArmor

Thank you for choosing Security Networks as your Home Security provider. As a valued customer, we would like to offer you a **free 90 day trial** of IDnet identity protection by InfoArmor.

InfoArmor utilizes patented technology to protect your identity, not just your credit. Some features include:

- Industrial strength **identity** monitoring
- Reduction in **junk mail**, phone solicitations and preapproved offers
- Dedicated team of **experts** to restore your identity in the case of misuse
- Cover out-of-pocket costs from identity theft with **\$25,000 fraud expense policy**
- **90 days free** if you enroll within one week of the date on this certificate

For only \$9.95 per month or \$99.50 per year, you receive continuous identity monitoring for protection that goes far beyond credit monitoring.

To enroll, go to www.SecurityNetworks.net
and click on the  banner.
